

Ella's New Pet

Ella wanted a new pet. One day, her parents took her to the animal shelter. Ella saw many pets, but one little kitten caught her eye. The kitten had soft gray fur and bright green eyes.

Ella gently picked up the kitten and it purred softly. She named the kitten Whiskers. Whiskers loved to play with a tiny ball of yarn. Ella and Whiskers played together every day.

Ella was very happy with her new pet. She knew Whiskers would be a great friend. They spent lots of fun and happy days together.
