

Jake's Camping Trip

Jake was excited for his camping trip with his family. They drove to the forest and set up their tent near a clear, sparkling lake. Jake helped his dad build a campfire and roast marshmallows.

At night, they told stories around the fire and looked up at the stars. Jake saw a shooting star and made a wish. The next morning, he went fishing with his mom and caught a small, shiny fish.

Jake loved the camping trip. He enjoyed the fresh air, the fun activities, and spending time with his family. It was a weekend full of adventure and laughter.
