Grade 1 reading · easy reading passage

1. Circle 1: **Pip**
2. Circle 2: **in the sand**
3. Write 1: **a blue bucket** — accept "a bucket".
4. Write 2: any answer the child can point to in the picture or the story. Long ears and a big tail are both in the text.

> Every sentence here is seven words or fewer and the only repeated idea is digging, so a child can hold the whole story in mind while answering. If they can read this one without help, they are ready for a passage with a problem and a solution in it.
