

# Sight Words BINGO!

*20 unique bingo boards · 41 sight words · ready to play*

## How to play

### Setup:

1. Print page 2 (calling cards) and cut along the dashed lines.
2. Print one bingo board per player from pages 3–22.
3. Each player needs small markers (cereal, beans, coins, or stickers).

### Playing:

1. The caller draws one calling card and reads the word out loud.
2. Players cover that word on their board if they have it.
3. Set the called card aside in a separate pile.
4. The first player to cover four words in a row — across, down, or diagonal — calls out "BINGO!" and wins.

### Try these variations:

- Four corners — first to cover all four corner squares wins.
- Blackout — first to cover the entire board wins.
- Read & sentence — players say the word and use it in a sentence.

## Calling Cards
