Word Links

Grade 3

Name _____ Date _____

Remember: Find the **missing link**. The word must join the first word to make one compound word, and the second word to make another: sun + **flower** = sunflower, **flower** + pot = flowerpot.

Try each choice twice: once after the first word and once before the second word.

1. Find the link

Circle the word that links both words.

1. sun _____ pot — flower / shine / light
2. rain _____ tie — drop / bow / coat
3. foot _____ room — print / step / ball
4. bed _____ mate — room / time / side
5. home _____ shop — made / work / land
6. star _____ bowl — light / dust / fish
7. birth _____ light — day / place / mark
8. key _____ walk — hole / board / chain
9. pop _____ field — sicle / star / corn
10. sea _____ fish — shell / side / weed
